Overnight Stays / Live-In Information

Live In - \$100 per Day (24hr period) – Your Sitter will arrive when you tell them too and lives out of your home, depending on her schedule she may leave for up to 3 hours at a time but no more than that and no more than 3 times a day, mainly your sitter will be living out of your home and giving your pet(s) her undivided attention. She leave to care for any other pets that she is doing pet sitting visits for and to walk her mid-day walk clients that use her Mon-Fri daily. ½ days are charge at \$50 if you leave early in AM and return late in PM, 1/2 rate charge will apply. Our normal per hour charge is \$30 per hour.

Overnights - \$70 per Night – Your Sitter arrives by 6pm and leaves the next AM 7- 8am, depending on her schedule she may stay later....or arrive earlier in the evening. If you need a mid-day visit that can be added on for the normal \$19 rate making the total be \$89 per day. Your sitter may leave for an hour or so to go see other dogs she is pet sitting to let them out for their last potty of the night, that's why they arrive by 6pm for dinner / walk and to get settled in.

**** These rates are for up to 2 dogs, each additional dog is \$10 per night. There is NO charge for cats, fish tanks, plant watering, home care, etc..... It is included in this service.**

Your sitter is responsible for bring her own food / drinks for her main meals but if you want to supply anything that is fine and appreciated, just leave a note saying what. Please leave out any special instructions for how appliances work, lights that are on timers, TV Remotes, Etc..... that you want your sitter to have. Also any notes about who else may have access to your home and on what days (house cleaner, lawn care guy, etc....). Also provide info about any quirky things your sitter needs to know about your home or any other pertinent information. Your house will be left how it was found, your sitter will clean up after herself, be neat and respect your home.

Signs or things your pet(s) do to let know your sitter know they need to go Potty?

What are the normal sleeping habits for your pets? On bed with you? YES NO

Where do they sleep if not? _____

Do you have Wireless Internet for Laptop YES NO If yes, is it secured? If so please write out how to access it - server name, password etc... _____

If NO, is there a personal computer she can use and if so where and instructions if it's password protected? Sitters need to be able to get online and access their email & their

schedule _____
